7 CYL ALFRESCO FIRE

Inspired by tea lights, the Cyl fireplace was designed for alfresco parties and events, all year round. It is constructed from weather-resistant materials, with crystal glass used for the cylindrical surround and stainless steel for the base and spigots.

10 MODERNE COLLECTION

The Moderne textile collection recalls the eclecticism of the 1920s, reflecting the luxurious designs of that era but also keeping pace with the modern age. Pleated velvet, naturally textured yarns and metallic Jacquard all help create this elegant collection.
